## SCHEDULE C

### TOTAL PERFORMANCE SYSTEM WARRANTY

Lumination, LLC is pleased to provide the following warranty for the periods shown below. This warranty covers GE Tetra® LED components operated on a GE Tetra power supply when installed by \_\_\_\_\_ (Insert name of Installation Company).

#### Combination Tetra LED Component and Tetra Power Supply System Limited Warranty

Lumination warrants each GE Tetra LED component installed on a GE Tetra power supply to comply with its respective published specifications, to be free from defects in material, workmanship, title, and to operate from the date of manufacture for the time periods and subject to the Terms and Conditions specified below. If a GE Tetra LED component fails to operate for the warranty period, Lumination will provide a free replacement component in accordance with the Terms and Conditions set forth below. If a GE Tetra power supply fails to operate within the warranty period, Lumination will provide a free replacement power supply in accordance with the Terms and Conditions set forth below.

Warranty Period is based on typical 8,760 hr./yr. operation on a continuous burning cycle of 24 hours, at maximum operating and environmental conditions; other operating cycles may affect warranty period. Contact your Lumination Representative for details. \*\*XX = Color for Tetra BT (RD=Red, YL=Yellow, LG=Lime Green, GL=Green, BL=Blue, WH=White)

## TERMS AND CONDITIONS

This warranty only applies when GE Tetra LED components and GE Tetra power supply are properly wired and installed together as a system; are operated within the electrical values shown on the GE Tetra power supply label; used in lighting equipment designed and approved for the application and in environmental conditions (temperature, humidity) within the normal specified operating range of the system. This warranty does not apply to any abnormal use or use in violation of any applicable standard, code or instructions for use in installations including those contained in the latest National Electrical Code (NEC), the Standards for Safety of Underwriters Laboratory, Inc. (UL), Standards for the American National Standards Institute (ANSI), in Canada, the Canadian Standards Association (CSA), Europe (CE), Australia (C-Tick). This warranty will not apply in the event of conditions demonstrating abnormal use or stress, including under/over voltage conditions, excessive switching cycles or operating hours. Replacement of GE Tetra LED components with LED components of other manufacturers will void the entire warranty. Replacement of the GE Tetra power supply with any other power supply will void the entire warranty.

## WARRANTY SERVICE CLAIMS

Lumination must issue an RMA# for all requests for warranty review. To expedite service, please contact Lumination's Customer Service Manager by calling toll-free at 1-888-MY-GE-LED (U.S. & Canada) or 1-216-606-6555 (outside of U.S. & Canada). If you are unsure whether a situation exists that is covered by this warranty, please contact Lumination Customer Service for assistance.

## RETURN OF DEFECTIVE PRODUCT

After contacting Lumination and receiving RMA#, the purchaser / user shall promptly return the product after receiving instructions regarding if, when and where to ship product. Product must be returned within 10 days of receiving RMA#. Shipping box must be clearly marked with RMA#. Failure to follow this procedure shall void this warranty.

## **REPLACEMENT OF PRODUCT, LIMITS OF LIABILITY**

The foregoing shall constitute the exclusive remedy of the purchaser and the sole liability of Lumination for GE Tetra LED components and GE Tetra power supply warranties. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IS TO BE IMPLIED. In no event shall Lumination be liable for any other costs or damages, including lost profits or revenues, incidental, special or consequential damages.

Lumination reserves the right to examine all failed GE Tetra LED components and/or GE Tetra power supplies to determine the cause of failure and patterns of usage and reserves the right to be the sole judge as to whether any GE Tetra LED components and/or GE Tetra power supplies are defective and covered under this warranty.
